

THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

7 July 1976

Ms. Poppy Koulouris
252 South 13th East
Salt Lake City, Utah 84102

Dear Poppy:

Thank you for the phone call on my recent appointment. I would have written sooner, but I thought it only proper to await the completion of the Senatorial confirmation process and being sworn in. Now I am "legal" and can thank you in writing.

We head into a new era with American intelligence, one that will be full of problems and difficulties, as always, but I think the opportunities will outnumber them. I want to do the best job I can. It's an important one. Intelligence is an essential activity in our Government and I am sure we can find the correct balance between the nature of that activity and the need to protect the Constitutional rights and privileges of our citizens.

Angie joins me in sending much love to you and Cutie and all of our friends in Salt Lake.

All the best.

Faithfully yours,
